After thirty-six years of service to local education, Mr. Glenn H. Lewis retired as principal of Fullerton High School.

It was the last year of "fledgling" status for La Habra High School as the Highlanders prepared to offer a full, four-year curriculum in 1956-57.

Great masses of students were everywhere as a record-high enrollment strained F.U.H.S. facilities.

Student Government flourished at Fullerton. Pat Hearne, president, and Catalina Cano, secretary of Region V of the California Association of Student Councils, were in charge of the spring convention held in May. They greeted 300 visiting students to the Fullerton High campus.

At the close of the day it was time to hurry for a bus seat. Even though there was an increase in passengers, the number of buses remained the same.

### Alma Mater

We are proud of all thy prowess, Fullerton!  
And we thy colors bravely bear.  
We will be thy loyal subjects ever;  
Joy and grief we alike will with thee share.

#### Chorus

Oh, F.H.S., thy name we love,  
And ever staunch and true you'll find us;  
We'll stand by thee through all eternity,  
The red and white, so true!

We dedicated this, the 1956 Annual Pleiades, to a man who devoted the greater part of his life in service to Fullerton Union High School. He was loved and admired by all who knew him as teacher, coach, counselor, principal, and friend. No one could have found a more interested listener, whether asking for advice or sharing an experience.

To a man whose spirit will live in the heart of Fullerton even as time moves on . . . Mr. Lewis, to you, the 1956 Pleiades . . .

"Lives of great men all remind us  
We can make our lives sublime,  
And, departing, leave behind us  
Footprints on the sands of time . . ."

**Dr. T. Stanley Warburton as Superintendent of Schools** witnessed the establishment of La Habra High School and the ground-breaking for Buena Park High School. He hoped the same unity, friendliness, and good sportsmanship would be the silver keys to the door of education even as the district expanded. Dr. Warburton had been chief officer of the district since 1945, secretary of the district board of trustees, and in charge of the high school and junior college administration.

In addition to his achievements as Superintendent, Dr. Warburton's record included many organizational honors. A few of these were: the California Society of Secondary Education (president, 1950-52), Joint Collegiate Federal Service Council of Southern California, Contra Costa County Principals' Association (secretary-president, 1939-41), Phi Delta Kappa, Delta Sigma Rho. Articles to educational publications were also to his credit.

**Logan Wheatley,**  
Assistant Superintendent

**John W. Mann,**  
Administrative Assistant

**Glenn H. Lewis** began a 36-year career at Fullerton High in 1920. After serving as teacher of mathematics, science, music, social studies, and physical education, and as attendance director and vice-principal, he was appointed **Principal**, a position Mr. Lewis held for eleven years.

Born in Texas, Mr. Lewis served as a first lieutenant in World War I, then came to Fullerton High when the enrollment was 618 students. He watched the total swell to 2250 students in 1955-56.

His career, dedicated to educational guidance for youth, was culminated in 1956 with the completion of the new music-arts building . . . a dream come true for Mr. Lewis.

**Dorothea Spears**, in her fifth year as **Dean of Girls**, directed her energies to the guidance and counseling of girls at Fullerton High.

As adviser to the Girls' League, she was active in the promotion of the League's objectives: the highest ideals of womanhood, a greater degree of cooperation, and friendship among girls and faculty.

Through the fulfillment of these objectives, Mrs. Spears believed high school life, although a time of new adjustments and responsibilities, would be "the best years of your life."

For **Donald C. Cruickshank**, it was the final year as **Vice-Principal** and **Dean of Boys**, as he prepared to assume the principalship upon the retirement of Mr. Lewis.

Mr. Cruickshank came to Fullerton in 1931. After serving five years in the Army Air Force, he returned to Fullerton in 1946 and was appointed Dean of Boys. In 1951 he became Vice-Principal as well as Dean of Boys.

Mr. Cruickshank observed how well the student body adjusted to the crowded conditions caused by the largest enrollment in the history of Fullerton High.

He advised: "Time passes so quickly; never put anything off. The time you lose can never be recovered."

Dear Lorraine,

It sure has been great knowing you these last few years. Too bad we couldn't have had more classes together.

Well, just think about nine more hours and we will be out of this rat-race. I'm sure not dreading it and I'm sure you're not either. Right?

Lots of luck in the future and have fun this summer.

# *Your Student Body*

Among the accomplishments under the active leadership of **Bill Lee, Student Body President**, were establishment of a student committee for planning assemblies, participation in a joint meeting with Anaheim student leaders for the discussion of inter-school activities, promotion of exchange assemblies, and launching of a public relations committee and traffic council. Bill stressed a positive attitude in leading a crusade for a cleaner campus and in revising the student body constitution.

Executive Board, composed of the eleven student body officers, met weekly to consider student body projects and activities. One of the major problems during the year was the revision of all school sponsored club constitutions. The executive board also supported such activities as the pre-Christmas and pre-Easter meditation services, the spring California Association of Student Councils convention, and the presentation of numerous awards for students outstanding in sports, scholarship, and extra-curricular activities. Serving on this executive branch of an active student government were: (left to right) **Bill Lee**, Student Body President; **Ken Bell**, Boys' Athletic Manager; **Tom Bates**, Boys' League President; **Judy Bauerlein**, Girls' League President; **Jack Coale**, Student Body Vice-President; **Janet Hart**, Girls' Athletic Manager; **Nancy Rapp**, Student Body Secretary; **Carolyn Cate**, Annual Pleiades Editor; **Dick Barnes**, Weekly Pleiades Editor; **Greg Guth**, Student Body Treasurer; **Elaine Kuchel**, Student Body Social Chairman.

Congratulations to the class of 1956 from Jim Paino, your photographer.

Oracam Photos, Orange, California

It requires a lot of courage to take a position on the annual staff—this year's seventeen members discovered this soon after their first meeting in September. Although many decisions such as the cover design, number of pages, and prevailing style were considered by the group, each individual had his own responsibility. He was assigned to take a portion of the school year, organize it into a section, and come up with results which could please the student body and still fulfill the standards which had been set down by the staff. Many problems arose which demanded important decisions: whether to establish something new and different or to succumb to tradition, whether to try something which might fail, or to revert to the old tried-and-true method. It took courage to go out, completely untrained, to solicit advertising from local merchants; to get out in front of a crowd to take pictures, knowing something might go wrong.

Nowhere else but on the annual staff could these things be learned in high school. We are grateful for the opportunity. We also extend a special word of appreciation to those who helped make this publication possible . . .
